Subject: **2018 LOCAL PARTNERSHIP PROGRAM – FORMULAIC PROGRAM FUNDING SHARE DISTRIBUTION FOR FISCAL YEARS 2017-18 AND 2018-19 (RESOLUTION G-17-42)**

ISSUE:

Should the California Transportation Commission (Commission), pursuant to the approved 2018 Local Partnership Program Guidelines, adopt the Formulaic Program funding share distribution for Fiscal Years 2017-18 and 2018-19?

RECOMMENDATION:

Staff recommends the Commission adopt the share distribution for the Formulaic Program of projects for Fiscal Years 2017-18 and 2018-19 as outlined in the Eligible Submittals and Proposed Formulaic Shares for the 2018 Local Partnership Program (Attachment A).

BACKGROUND:

On October 18, 2017 the Commission adopted the 2018 Local Partnership Program Guidelines in response to the Road Repair and Accountability Act of 2017, Senate Bill (SB) 1 (Beall, Chapter 5, Statutes of 2017), as amended by Assembly Bill (AB) 115 (Ting, Chapter 20, Statutes of 2017) and AB 135 (Committee on Budget, Chapter 255, Statutes of 2017). The overall objective of the Local Partnership Program is to reward counties, cities, and regional transportation agencies with voter-approved fees or taxes solely dedicated to transportation improvements or that have enacted fees solely dedicated to transportation. In compliance with the guidelines, the Commission will adopt a Formulaic Program of projects for the initial cycle that will cover 2017-18 and 2018-19 for jurisdictions with voter approved taxes, tolls, and fees that are dedicated solely to transportation purposes.

Jurisdictions interested in receiving a Formulaic Program funding share submitted eligibility information as outlined in the Local Partnership Program Guidelines by the October 27, 2017 deadline. Commission staff reviewed the eligibility information and qualifying jurisdictions were issued a proposed share that was posted for review on the Commission Website on November 13, 2017. Commission staff solicited feedback to ensure affected jurisdictions had an opportunity to review, comment or request modifications prior to the December 6-7, 2017 Commission meeting.

Commission staff received feedback on a number of comments. Based on comments received, staff revised the proposed shares and posted the revised shares to the Commission's website on November 15, 2017.
