**Next stop: innovative project delivery.**

**PUBLIC-PRIVATE PARTNERSHIPS**

**M Metro**

**The P3 Perspective**  
With the passage of Measure M, Metro is embarking on one of the largest and most ambitious transportation investment programs in the nation. Taking cues from the best and most innovative agencies around the country and the world, Metro is looking for new ways to deliver these projects and ensure their long term performance.

**IMPLEMENT MOBILITY INNOVATION:  
Mining innovation, partnering with the private sector**
