dedicated to promoting
the practice of **Mileage-
based User Fees** as a
sustainable and
equitable mechanism
for transportation
funding.

About the Mileage-based User Fee Alliance (MBUFA)

"Headquartered in Washington, D.C., MBUFA is a non-profit organization that is dedicated to promoting the practice of Mileage-based User Fees as a sustainable and equitable mechanism for transportation funding. Our members share a common mission of supporting and creating a learning and research policy space for collaboration and networking among those interested in advancing the research and concepts for mileage-based user fees."

- MBUFA Chair Jack Basso
