

California Transportation Commission

# SAVE THE DATE

## SHOPP Guidelines Update Kick-off Workshop

Please mark your calendars for the upcoming California Transportation Commission guidelines update kickoff workshop for the State Highway Operation and Protection Program (SHOPP). This virtual kickoff workshop will be the first workshop in the guidelines update process with the purpose of soliciting stakeholder input regarding the proposed updates. A workshop agenda and details will follow at a later date.

---

**Wednesday, April 10, 2024**  
**9:00 a.m. – 11:00 a.m.**

**To participate via Zoom, please register at:**
